# HEAR FROM OUR BUYERS...

I came to Vietnam on my way to Canton Fair in China and I see that Lifestyle Vietnam was perfectly timed before the China Fair. My experience so far has been overwhelming but exciting. I found some very good Vietnamese home decoration products at Lifestyle. I was happy to have participated and will come again next year. I hope your Fair will be soon bigger.

The LifeStyle Vietnam was a very nice trade fair and we placed already two orders. I've met many new suppliers and seen a lot of familiar ones. The atmosphere was perfect, the offered items are very interesting for our business. Thank you very much for the present at the fair – the nice pictures from the beautiful country Vietnam.

My visit of LifeStyle Vietnam was very constructive and I'm glad I went. We have ordered one 40ft container so far from one supplier and are awaiting more quotations to come in. I'm also looking forward to take more of our buyers to visit the next LifeStyle Vietnam.
